

Chandler Elementary

10/17/2021

- Covid testing appears to be staying on Mondays. Testing Monday this week. Once again last week we had zero positive tests.
- Please make sure that your students are signed up for the Read a thon. This is the PTA's biggest fundraiser of the year. Students and classes earn prizes. Please help our PTA fund some of the programs your children can participate in on campus. Scan the QR code below to participate. Anyone having issues with the QR code can go to <https://www.getmovinfundhub.com/login>. You will need our school identifier, which is 5d52d021a3d9

- This Thursday portions of our blacktop and grass will be used as a basecamp for a film crew. There will be no filming on campus or of students. The production company has offered to provide us with a substantial donation to provide additional technology and student support services to our students. They will come on campus after school on the 20th and leave after school on the 21st. We look forward to this opportunity to help our students. There will be no impact on the students' instructional time.
- We are working to ensure uninterrupted learning and educational opportunities at our school while we continue to provide vaccine access to our employees who have not met the requirement. There may be some staffing changes to offset potential vacancies beginning next week. Currently at our school, we have multiple classified (non teaching) vacancies, and we will fill those temporary gaps with other employees where possible. We remain committed to providing your child with the best possible education in the safest possible environment. We know children learn and thrive best with in-person instruction where they can interact with their teachers and classmates, participate in extracurricular activities and access the academic and social-emotional supports they deserve.

-
- Please remember that in order for your child to participate in our Holiday parade they will need to turn in a signed media release form. This is necessary as we will be attempting to live stream the parade via zoom on October 29. Zoom info is forthcoming. Students without the media release form will be in a separate classroom supervised by a teacher while their class is going through the parade.
 - Spend some quality time with your child this week. Read with them!
